

September 2024

The Board is pleased to announce that Lynne Ostergren has accepted the responsibility for the administration aspects of Soarin Hawk's ed program – including making reservations and scheduling presentations, lining up volunteers to attend presentations, and tracking statistics such as raptor attendance at presentations, volunteer attendance, and audience attendance. Mike Dobbs will handle invoicing for presentations as part of his Treasurer duties.

Lynne has a Soarin Hawk email lynne.o@soarinhawk.org and we have added a dedicated phone number for Education Programs 260-341-0541. The website and links are being updated accordingly. Please be patient with Lynne and Mike as they get comfortable in their new roles.
